

KBS 2025 Scotland Full Programme

Monday			
09.00 Opening Plenary	Welcome Speeches, Availability & Youth Drinking Trends [Room 438]		
09.00-09.45	Welcome speeches		
Monday 09.45	Availability & Youth Drinking Trends [Room 438]	Discussant	Chair
Ogochukwu Odeigah	Local government officials' account of mechanisms for regulating physical alcohol availability and implementation barriers in South-West Nigeria	Pia Makela	James Nicholls
Amy Pennay	Risk versus pleasure: what happens when non- and light-drinking young people grow up?		
10:30-11:00 Coffee			
Monday 11.00 (1) Drinking Motives & Alcohol Reduction Attempts [Room 438]		Discussant	Chair
James Conigrave	When Alcohol Fills the Gap: Basic Psychological Need Compensation Predicts Hazardous Drinking	Yvette Rodriguez Borja	Claire Wilkinson
Johanna Loy	Drinking motives and alcohol-related harm in Europe: Associations vary by type of consequences and heavy episodic drinking prevalence		
Timothy Naimi	Developing 'Know Alcohol': A Web-Based Personalized Alcohol Risk and Benefit Calculator Informed by Canada's Guidance on Alcohol and Health	Rikste Knijff	
Claire Garnett	Understanding the motives; strategies and goals of alcohol reduction attempts among people who drink at risky levels in the UK		
Monday 11.00 (2) Influences on and Predictors of Drinking [Room 607]		Discussant	Chair
Jennifer Merril	Negative Outcomes of Impaired Control over Drinking in Daily Life	Trevor McCarthy	John Holmes
Lisa Buckley	Engaging young adults' friends to prevent driving after drinking alcohol		
Marieke Theron	Predictors of harmful; hazardous or dependent alcohol use in South African adults	Francesco Manca	
Melissa Oldham	Drinking contexts; othering; motivation to reduce alcohol consumption and reduction attempts amongst risky drinkers: A nationally representative survey in Great Britain.		

KBS 2025 Scotland Full Programme

Monday 11.00 (3) Sexual Minorities [Room 639]		Discussant	Chair
Gareth Hagger-Johnson	Sexual orientation identity in relation to risk of alcohol use disorder risk: Understanding Society (The UK Household Longitudinal Study)	Tom Greenfield	Carol Emslie
Laurie Drabble	Identifying dominant factors that impact alcohol and drug use among sexual and gender minority groups: New data from the United States		
Karen Schelleman-Offermans	Risk profiles including the role of specific minority stressors for alcohol dependence among Sexual and Gender Minorities	Merlin Wilcox	
Tonda Hughes	Barriers and Facilitators to Helping Sexual Minority Women Reduce Alcohol-Related Harms: Findings from a New Zealand Community Survey		
Monday 11.00 (4) Mortality Risks & Trends [Room 707]		Discussant	Chair
Elena Torrell-Pedreira	What Explains Differences in Alcohol-Attributable Premature Mortality Costs? A Comparative Case Study of Catalonia and Lithuania	Sarah Callinan	Parvati Perman-Howe
Anne Doyle	A systematic review of the association between alcohol-related deaths and area-level socioeconomic deprivation and other geographic characteristics		
Annie Britton	Do older adults drink alcohol whilst taking alcohol-interactive medication?	Emma Viera	
Sarah Nayani	Moderate drinking; major risk: highlighting the true health burden of alcohol use in Belgium; 2013-2021		
Monday 11.00 (5) Night-Time Venues & Violence [Room 743]		Discussant	Chair
Kate Graham	What would you do? Young men's reports of the kinds of actions they take; if any; to intervene in different types of sexual aggression and harassment in drinking environments	Rachel O'Donnell	Nic Taylor
Samantha Wells	Do beliefs and attitudes explain perpetration of alcohol-related sexual harassment and aggression in drinking environments? A street sample of young male bargoers in natural drinking group		
Jim Lewsey	The impact of later trading hours for bars and clubs on alcohol-related ambulance call-outs and crimes: a controlled interrupted time series study	Taisia Huckle	
Joanne Papageorgiou	Individual-Level Interventions for Alcohol-Related Violence in Night-Time Entertainment Precincts (NEPs): A Scoping Review		

KBS 2025 Scotland Full Programme

Monday 11.00 (6) Intimate Partner Violence & Harm to Others [Room 745]		Discussant	Chair
Bree Willoughby	Does men's heavy alcohol use modify the association between masculinity and perpetration of male-to-female intimate partner violence? Findings from a national survey of Australian men	Chatherine Horte	Neo Morojele
Siripala Hettige	Research Evidence on Harm to Others from Drinking and the Role of Alcohol Policy in Sri Lanka		
Ilona Tamutiene	Alcohol-related domestic violence in households with children: analysis of violence order records in Lithuania	Anne Marie Laslett	
Daumantas Stumbrys	Exploring the weekly pattern of domestic violence in Lithuania: does alcohol make a difference?		
12:30-14:00 Lunch / workshops			
<u>KBS First-Timers Welcome [Room 743]</u>			
<u>Workshop: Alcohol labelling: Research, policy and practice -WHO-Europe [Room 639]</u>			
<u>Meeting of International Network on No and Low Alcohol Research [Room 607]</u>			
Monday 14.00 (1) Temporary Abstinence/Non-Drinking [Room 438]		Discussant	Chair
Annelien Esselink	Exploring social environmental factors of university students to adapt a Temporary alcohol Abstinence Challenge: a qualitative study	Zoe Clarke	Sarah Callinan
Rob Bovens	Exploring attitudes and behaviour regarding Temporary alcohol Abstinence Challenges of the general population in the Netherlands		
Udomsak Saengow	Determinants and trends of complete abstinence During Thailand's temporary alcohol abstinence campaign: a study of repeated cross-sectional survey	Sarah Nayani	
Monday 14.00 (2) Price & Taxation [Room 607]		Discussant	Chair
Colin Angus	How have reforms to alcohol duty in Great Britain changed alcohol purchasing behaviour?	Tom Clements	Oscar Rousham
Tina Lam	How do alcohol prices fluctuate across the year? A time series decomposition of the daily pricing of popular Australian alcohol products 2020-2024.		
Grace Leeming	Differences in prices paid for alcohol-free and low-alcohol drinks by population subgroup: Evidence from a UK household purchasing panel	Ulrike Grittner	
Petra Meier	Causal mapping of the alcohol price policy system		

KBS 2025 Scotland Full Programme

Monday 14.00 (3) Public & Community Views [Room 639]		Discussant	Chair
Frederique van den Heuvel	Student and Stakeholder Perspectives on Alcohol Industry Beer Sponsorships of Student Associations in Amsterdam; the Netherlands. A Qualitative Study	Laura Fenton	Sally Casswell
Egle Juskeviciute	Bridging the Knowledge Gap: Medical Students' Awareness of Alcohol-Related Cancer Risks and Support for Alcohol Control Policies		
Elena Dimova	How do residents in contrasting neighbourhoods perceive local alcohol availability and its impact on drinking behaviours? Qualitative focus group study	Ogochukwu Odeigah	
Isabelle Uny	New directions for the future of Scotland's night-time economy: views from deliberative focus groups with the general public and venue goers in Aberdeen and Glasgow		
Monday 14.00 (4) Alcohol Marketing [Room 707]		Discussant	Chair
Nathan Critchlow	Awareness of alcohol marketing and the association with consumption and alcohol-related attitudes among adults: findings from an online cross-sectional survey in the United Kingdom	Melissa Oldham	Taisia Huckle
Emeka Dumbili	Alcohol Marketing in Nigeria as a Commercial Determinant of Health		
Kat Petrilli	Documenting alcohol marketing targeting LGBTQ+ communities	Matt Lesch	
Richard Purves	Exploring young people's views on alcohol sports sponsorship		
Monday 14.00 (5) Parental Alcohol Use & Intimate Partner Violence [Room 743]		Discussant	Chair
Koen Smit	The impact of parental harmful alcohol use and family violence on child protection outcomes in Victoria; Australia	Florian Labhart	Tonda Hughes
Cathrine Horte	From uncertainty to action: Identifying and attending to children and young people exposed to alcohol and drugs in the household.		
Amany Tanyos	National and community studies of alcohol drinking and intimate partner violence in high-income countries: a systematic review and meta-analysis.	Katherine Karrike-Jaffe	
Ingrid Wilson	Developing a scale to measure alcohol-related economic abuse in the context of intimate partner violence		

KBS 2025 Scotland Full Programme

Monday 14.00 (6) Interventions & Experiences of Treatment & Recovery [Room 745]		Discussant	Chair
Hayley Treloar Padovano	Feasibility and benefit of personalized intervention to reduce alcohol intake and prevent alcohol-associated liver disease	Kim Madundo	Tom Greenfield
Priya Johal	A National Survey of User Preferences and Motivations for 'Know Alcohol': A Web Application Informed by Canada's Guidance on Alcohol and Health		
Claire Wilkinson	Stakeholder experiences of involuntary alcohol and other drug treatment: A synthesis of qualitative research	Andrea Mohan	
John Cunningham	Untreated and moderate drinking recoveries from serious alcohol concerns: Alternative pathways and the possible experience of stigma		
15:30-16:00: Break			
Monday 16.00 (1) Zero & Low Alcohol Perceptions & Pricing [Room 438]		Discussant	Chair
Zoe Clarke	Exploring the acceptability in the increase of alcohol-free and low-alcohol drinks from the perspective of four population subgroups	Kim Bloomfield	Simone Pettigrew
Margot Peeters	Non-alcoholic consumption and motivations for use among adolescents		
John Holmes	Are alcohol-free and low-alcohol drinks more expensive than standard alcoholic drinks? A descriptive analysis of Great British sales data.	Roberto Valiente	
Oscar Rousham	Understanding Purchasing Patterns of Alcoholic; Alcohol-Free; and Low-Alcohol Drinks: A Latent Profile Analysis		
Monday 16.00 (2) Risks, Risk Factors & Screening [Room 607]		Discussant	Chair
Pek Kei Im	Associations of alcohol consumption with risk of gout: a prospective study of 1 million Chinese and UK adults	Bree Willoughby	Johanna Loy
Marc Roquer	Risk and protective factors of drinking in a Mediterranean region. Results from the Catalan Health Survey (2018-2022)		
Mia Buono	Cross-Cultural Adaptation Of the Alcohol Use Behavioural Phenotyping Test (AUBPT) for Brazilian Portuguese	Erica Jonsson	
Tom Greenfield	Network analyses reveal associations within and between measures of consequences following heavy drinking episodes and past year Alcohol Use Disorder domains		

KBS 2025 Scotland Full Programme

Monday 16.00 (3) Adult & Youth Drinking Trends [Room 707]		Discussant	Chair
Sarah Callinan	Examining recent divergence in population alcohol consumption trends in Australian sales and survey data.	Annie Britton	Amy Pennay
Brecht Develeeschauwer	Challenges in meeting global targets: closing the gap in Belgian alcohol consumption trends; 2008-2040		
Michael Livingston	An updated age-period-cohort analysis of Australian drinking	Udomsak Saengow	
Marta Zin-Sedek	What Remains of Those Years? Typologies of Drinking Patterns in the Baby Boomer Population		
Monday 16.00 (4) Sales & Pricing Data Analyses [Room 743]		Discussant	Chair
Nicolas Taylor	Australia's policy approach to alcohol retail sales data	Grace Leeming	Wulf Livingston
James Clay	Price Per Standard Drink Distributions Among Vulnerable Groups in British Columbia: A Population-Based Provincial Alcohol Brand-Level Survey Linked to Sales Data		
Luke Wilson	How were different alcohol producers affected by alcohol tax reforms in Great Britain? A modelling study	Adam Sherk	
Audrey Buelo	How people who are alcohol dependent and living in deprivation have responded to the cost-of-living crisis and alcohol duty reforms in the UK: a qualitative exploration		
Monday 16.00 (5) Workplace Harms/Women & Pregnancy [Room 745]		Discussant	Chair
Yvette Mojica-Perez	Alcohol-related harm from co-workers and friends in Australia in 2021	Gillian Shorter	Kate Kersey
Katherine Severi	Alcohol harm in the parliamentary workplace: An investigation into perceptions of exposure to and harm caused by alcohol among UK members of parliament and their staff		
Kirsimarja Raitasalo	Attitudes toward under-age drinking - the association between own risky drinking and having children	Lucy Bryant	
Julie Croff	Folate Supplementation Mitigates Alcohol-Related Declines in Serum Folate: A Daily Measurement Study Among Young Women		
Monday 16.00 (6) Homeless Populations & Heavy Drinking Episodes [Room 639]		Discussant	Chair
Merlin Willcox	Alcohol-related deaths of people experiencing homelessness in Oxfordshire: A mixed methods mortality review 2018-2023	Pol Rovira	Leanne Ramsoomar
Hannah Carver	Realist review of managed alcohol programmes for people experiencing alcohol dependence and homelessness: What works; for whom; and in what circumstances?		
Jennifer Boyd	Clustering of substance use behaviours in those experiencing homelessness; examining differences based on sex; age and geographic location.	Francisca Roman	
Monday 18.30 - 20:30: Welcome Reception, City Chambers			

KBS 2025 Scotland Full Programme

Tuesday			
09.00 Tuesday Plenary: Industry Framing & Power [Room 438]		Discussant	Chair
Lauren Carters-White	Business arguments against the Scottish Government's Alcohol Marketing Consultation 2022-2023: a framing analysis of newspaper coverage	Katherine Severi	Andrea Mohan
Francisca Valente	Alcohol Control vs Corporate Influence: Analyzing Alcohol Industry Commitments in Portugal's Alcohol and Health Forum		
Hernando Salcedo Fidalgo	Use of representations and socio-cultural practices around vines and wine by alcohol lobbyists in France.	Jacqueline Bowden	
Matt Lesch	The Power of the Alcohol Industry in New Zealand: A Case Study in Relational Power		
10:30-11:00 Coffee			
Tuesday 11.00 (1) Alcohol Policy: Processes, Monitoring & Public Opinion [Room 438]		Discussant	Chair
Tessa Jager	Using Laws and Regulations to Mediate Alcohol-Related Harm in the Netherlands	Megan Cook	Ulrike Grittner
Sally Casswell	Creating a dashboard for alcohol policy - the International Alcohol Control study		
Susan Calnan	Public awareness of and support for alcohol policy in Ireland: A focus group study	Audrey Buelo	
Wulf Livingston	Learning from the Welsh evaluation of Minimum Pricing for Alcohol		
Tuesday 11.00 (2) Alcohol Availability including Late Night Premises [Room 607]		Discussant	Chair
Neo Morojele	Drinking motives as a moderator of the association of limited physical interactions and alcohol availability with alcohol consumption among university students during COVID-19 in South Africa	Lucy Burke	Kate Graham
Beth Meadows	Alcohol-Free Nightlife Spaces: a Systematic Scoping Review		
Robert Saltz	Can a state law mandating alcohol server training change servers' behavior?	Elena Dimova	
Carol Emslie	How are bars and clubs in Scotland using extensions in late-night alcohol trading hours? Observation study		

KBS 2025 Scotland Full Programme

Tuesday 11.00 (3) Interventions in Healthcare Settings [Room 707]		Discussant	Chair
Kim Madundo	The impact of a culturally adapted brief negotiation intervention for harmful alcohol use in an emergency care setting: A case series	Elizabeth Aston	Tom Greenfield
Andrea Mohan	Exploring the delivery of alcohol-related health advice in dental practice settings: a scoping review		
Rikste Knijff	Experiences and perceptions on SBIRT of professionals collaborating across different healthcare settings within three Dutch regions	Hayley Padovano	
Jacqueline Bisschop	Evaluation of an interdisciplinary alcohol approach for hospital patients with severe alcohol use disorder: A cohort study.		
Tuesday 11.00 (4) Qualitative Explorations of Environmental & Other Influences on Drinking [Room 743]		Discussant	Chair
Daniel Anderson-Luxford	When it rains; it pours? An examination of the impact of weather on women's alcohol consumption in Australia	Isabelle Uny	Jodie McGarry
Sarah MacLean	Local community impacts of climate change for Australians who use alcohol and other drugs		
Jukka Torronen	Generation Z and well-being: Identifying and following alcohol-related assemblages that worsen young people's mental health	Annelien Esselink	
Francisca Roman	'We are drunkards in Chile': exploring the sociocultural influences on adolescent drinking		
Tuesday 11.00 (5) Alcohol Availability: Outlet Density [Room 745]		Discussant	Chair
Tom Clements	Alcohol outlet density and wholly attributable alcohol hospitalisations in Scotland: a longitudinal study using individual residential histories	Nurnabi Sheikh	Roberto Valiente
Leane Ramsoomar	Feasibility of a Community-Centered Approach to Mapping Alcohol Availability: Outlet Density and Trading Hours in Two South African Communities		
Sarah Clifford	The Northern Territory's liquor license landscape: mapping temporal and spatial availability	Tim Naimi	
Niamh Shortt	Liquor licensing and wholly attributable alcohol hospitalisations in Northern Ireland 2012-2022		
12:30-14:00 Lunch / workshops			
Workshop: New Directions in the study of alcohol [Room 639]			
Workshop: Maximising policy impact – Institute of Alcohol Studies [Room 743]			

KBS 2025 Scotland Full Programme

Tuesday 14.00 (1) Modelling Methods [Room 438]		Discussant	Chair
Ulrike Grittner	Different Methods to to Disentangle Causes from Consequences in Alcohol Research	Luke Wilson	Michael Livingston
Ivette Rodriguez Borja	Simulating effects of universal alcohol screening and brief intervention in primary care: Preliminary results from the U.S. AUDTxSim Simulation Model		
Ellen McGrane	Developing a Roadmap for Expanding Alcohol Modelling Infrastructure to Include Modelling of Alcohol Dependence	Paul Dietze	
Damon Morris	Validating the Sheffield Tobacco and Alcohol Policy Model in Scotland		
Tuesday 14.00 (2) Policies for Regulating Availability [Room 745]		Discussant	Chair
James Nicholls	The alcohol licensing system in Northern Ireland: practical lessons from a restrictive regime	Clare Wilkinson	Megan Cook
Niamh Fitzgerald	Policy Principles for Regulating the Availability of Health-harming Products		
Esther Chanakira	Synthetic Population Generation for Alcohol Policy Modelling: Enhancing Local Authority-Level Decision-Making	Petra Meier	
Chloe Taylor	Alcohol Licensing in Glasgow, Scotland: A Review of Applications and Outcomes		
Tuesday 14.00 (3) Mental Health & Gambling [Room 607]		Discussant	Chair
Julian Strizek	Mental health and alcohol use among adolescents in Austria	Niamh Shortt	Sarah MacLean
Dominique de Andrade	Risky drinking and patterns of suicidal behaviour amongst young Australians: A data linkage approach		
Jenna Grundstrom	Gambling severity and the use of social and health care service in Finland	Robyn Burton	
Jodie McGarry	The two of them just go hand in hand: a qualitative study of gambling and drinking in the lives of young women		

KBS 2025 Scotland Full Programme

Tuesday 14.00 (4) Targeted Support & Interventions [Room 707]		Discussant	Chair
Elizabeth Aston	Alcohol demand is dampened following a brief motivational intervention among heavy-drinking adults with or at risk for alcohol-associated liver disease	Wulf Livingston	Abi Stevely
Devy Elling	The use of pharmacotherapy for alcohol use disorders and the risk of unemployment: A cohort study of 77;495 workers in Sweden		
Fieke van den Bulck	Preconditions for implementing interventions to reduce problematic alcohol use in older adults	Jacqueline Bisschop	
Karine Gaudreault	Evaluating the Effectiveness of a Support Program for Carers of People with Schizophrenia and Substance Use Disorder: A Multi-Perspective Analysis		
Tuesday 14.00 (5) Gender, Women & Pregnancy [Room 743]		Discussant	Chair
Kate Kersey	Women and alcohol at midlife: Using knowledge and awareness to manage risks and motivations	Carol Emslie	Gillian Shorter
Maree Patsouras	Under pressure: the role of coping motives and a lack of partner support in the relationship between negative affect and alcohol use in a sample of Australian partnered working mothers		
Katarzyna Okulicz-Kozaryn	This result is nonsense; I know I didn't drink. Reactions of respondents to the assessment of alcohol consumption during pregnancy based on the concentration of Ethyl Glucuronide in hair.	Tonda Hughes	
Rufi Shaikh	Forecasting Years of Life Lost due to alcohol consumption in India: a state and gender differential analysis from 1990 to 2060		
15.30 Break			
Tuesday 16.00 Workshops			
<u>Workshop: How to publish alcohol research – Editorial Board members from Drug and Alcohol Review, Addiction and IJADR. [Room 607]</u>			
<u>Workshop: Reviewing alcohol licensing systems – Institute for Social Marketing and Health, Stirling [Room 639]</u>			
<u>Workshop: Gender, alcohol, harm and harm to others - GENAHTO [Room 743]</u>			
Tuesday 18.00 - 20.00 Football			

KBS 2025 Scotland Full Programme

Wednesday			
09.00 Wednesday Plenary: African & Thai Policy Perspectives [Room 438]		Discussant	Chair
Robyn Burton	Meeting the Global Action Plan target of at least a 10% relative reduction in the harmful use of alcohol: is the Sub-Saharan African region on track?	Jim Lewsey	Nazarius Mbona Tumwesigye
Jiraluck Nontarak	The average expenditure on unrecorded alcohol consumption; and the places it is purchased in Thailand in 2022		
Cissie Namanda	Sachet alcohol ban helped for only a short period; alcohol consumption is just increasing: Unintended consequences of a policy to control alcohol availability in Uganda.	Neo Morojele	
Denview Magalasi	They have just changed the packaging; they have just put the alcohol in bottles: perceptions of substitute alcohol products since the enforcement of a policy banning alcohol sachets in Malawi.		
10.30 Break			
Wednesday 11.00 (1) Historical Perspectives [Room 438]		Discussant	Chair
Robin Room	Reducing alcohol's harm to others: A new paradigm seeking its application	James Nicholls	Petra Meier
Tom Babor	The J-curve in all of its glory: A conceptual history of moderate drinking in the evolution of alcohol studies.		
Sidel Eriksen	History matters. A comparative study of Danish and Swedish alcohol policy in the inter war and post WWII period	Nic Taylor	
Catherine Carstairs	Learning to Drink: Alcohol on Canadian campuses; 1960s-Present		
Wednesday 11.00 (2) Zero & Low Alcohol Consumption & Sales [Room 607]		Discussant	Chair
Muhammadfahmee Talek	Examining the Gateway Theory in Alcohol-Free Mock Beverage Consumption: Does AFMB Lead to Alcohol Use Among Muslim Youths?	Tina Lam	Adam Sherk
Maria Hanini	Modelling the potential impacts of a growing market for no- and low-alcohol drinks on alcohol consumption; health; and health inequalities		
Roberto Valiente	<i>No/Los in Stores in the UK (title TBA)</i>	Abi Stevely	
Simone Pettigrew	Trends in the range of zero alcohol products available in alcohol stores and supermarkets in Australia		

KBS 2025 Scotland Full Programme

Wednesday 11.00 (3) Harm to Children & Others [Room 707]		Discussant	Chair
Florian Labhart	Foetal alcohol spectrum disorders and health literacy in Switzerland: identifying the factors limiting adoption of the precautionary principle	Mattee Patsouras	Pia Mäkelä
Siri Haugland	Social gradient in adverse childhood experiences among adults who grew up with parental alcohol problems		
Katherine Karriker-Jaffe	Quantifying harms from others' alcohol use: Factor analysis and prevalence estimates from the 2023-24 US Alcohol and Drug Harms to Others Survey (ADHTOS)	Colin Angus	
Anne-Marie Laslett	Modelling and costing changes in alcohol's harm to others under different heavy episodic drinking and policy assumptions		
Wednesday 11.00 (4) Inequalities & Trends in Drinking & Policies [Room 639]		Discussant	Chair
Pol Rovira	Individual- and area-level inequalities in alcohol-related disorders and emergency hospital admissions in Catalonia	Laurie Drabble	Paul Dietze
Anastasia Månsson	Alcohol control policy and alcohol-attributable disease burden in eastern European Union countries: A 25-year longitudinal study		
Erica Jonsson	Health's influence on alcohol use- a longitudinal study of 7,097 working adults	Karen Schelleman-Offermans	
Klaudia Kepa	Class and Consumption: understanding health and heavy drinking practices among teenagers using a social determinants of health lens		
Wednesday Afternoon: Social Tours		Meeting Time	Meeting Place
Glasgow Riverside Museum/Tall Ship Visit with Lauren Carters-White		14:00	Ground Floor, JMS
University of Glasgow & Cloisters Tour with Richard Purves		13:30	Ground Floor, JMS
Invisible Cities Glasgow Walking Tour, with Danielle Mitchell & Jordan Maclean		13:15	Ground Floor, JMS
National Piping Centre Bagpipes Experience with Emma King		16:15	Ground Floor, JMS
Loch Lomond Visit & Boat Cruise with Jim Lewsey		12:30	Ground Floor, JMS
Western Baths Victorian Swimming Experience, with Niamh Fitzgerald & Allison Ford		13:30	Ground Floor, JMS

KBS 2025 Scotland Full Programme

Thursday			
09.00 Thursday Plenary: Public Health Framing & Policy Processes [Room 438]		Discussant	Chair
Josefin Westermarck	How do public health policy stakeholders negotiate for strict/health focused alcohol policy?	Sarah MacLean	Matt Lesch
Gabriel Caluzzi	Rethinking Alcohol Harm Reduction		
Rachel O'Donnell	Exploring the extent to which public views on alcohol align with industry framing strategies: Qualitative insights and implications for public involvement in alcohol research	Kate Graham	
Kara Thompson	Investigating the Impact of Message Framing on Reactance to Alcohol Warning Labels in Canada		
10.30 Break			
Thursday 11.00 (1) Marketing, Branding & Product Claims [Room 438]		Discussant	Chair
Jack Martin	Where and how are alcohol-free and low-alcohol drinks positioned; displayed; and promoted in shops? An observational audit of off-trade retailers in England and Scotland	Nicola Merrin	Edwinah Atusingwize
Jacqueline Bowden	Blinded by the light (beer): Consumer perceptions of alcohol nutrition claims and associations with intended purchasing and consumption		
Bella Straeuli	Name and claim: The type and prevalence of claims in alcohol brand and product names	Richard Purves	
Asad Yusoff	It's practically good for you: Consumer awareness and interpretation of nutrition-related claims on alcohol products		
Thursday 11.00 (2) Alcohol-related Health Harms [Room 607]		Discussant	Chair
Jose Ruiz-Tagle Maturana	Alcohol-attributable mortality in Chile between 2008-2022	Julian Strizek	Katherine Karrifer-Jaffe
Nazarius Mbona Tumwesigye	Harmful use of alcohol in a rural setting: A Pilot study around Lake Bunyonyi in Kigezi Sub-region; Uganda		
Jinhui Zhao	Pancreatic cancer risk and daily alcohol consumption: a systematic review and meta-analysis on cohort studies	Kate Kersey	
Joao Souza	The prevalence of depression and its association with "alcohol use behaviors and consequences"; a community survey from Moshi; Tanzania		

KBS 2025 Scotland Full Programme

Thursday 11.00 (3) Alcohol in Workplaces & Working Lives [Room 743]		Discussant	Chair
Gillian Shorter	Intoxication; inhibition; avoidance; or inspiration: Understanding the role of alcohol in the lives and practices of creative professionals	Danielle Mitchell	Laura Fenton
Felicia Mormah	Assessment of substance use on executive stress among administrators in a university environment		
Harald Klingemann	Polish healthcare professionals' response to alcohol in the workplace	Peter Rice	
Emelie Thern	Job strain; social support; and alcohol-related health problems: A register-based cohort study		
Thursday 11.00 (4) Theoretical Perspectives/Screening & AI Treatment [Room 745]		Discussant	Chair
Satu Mäenpää	Clients' Best Interests; Rights; and Equality in the Reform of Substance Abuse Legislation	Bella Streuli	Kim Bloomfield
Jordan Maclean	'Qualculating' alcohol licensing decisions: The case of Lidl v Winemark		
Pia Mäkelä	Validating AUDIT-C against register-based alcohol-related harm among men and women of different ages	Fieke van den Bulck	
Thursday 11.00 (5) Sex and Gender Studies & Methods [Room 707]		Discussant	Chair
Caitlin Turner	Effects of state non-discrimination policies on harmful drinking among US gender minority adults: A quasi-experimental study from 2014-2020	Samantha Wells	Anne-Marie Laslett
Mark Asbridge	Examining Sex Differences in the Cost of Alcohol-Attributable Emergency Department Visits in Ontario; Canada: A Retrospective Cohort Study		
Annamae Burrows	Performing Masculinity While Drinking Less: Young Men's Perspectives on Alcohol and Male Friendship	Ingrid Wilson	
Megan Cook	Differences in how men and women are studied in alcohol research: A systematic review		
Thursday 11.00 Workshop: Mobilizing global advocacy for addiction science and practice [Room 639]			
12:30-14:00 Lunch / workshops			
Workshop: Research impact vs social impact – Alcohol Change UK [Room 639]			
Workshop: Interdisciplinary collaborative research in alcohol - ICARA [Room 743]			

KBS 2025 Scotland Full Programme

Thursday 14.00 Workshops			
<u>Workshop: Evaluating MUP in Scotland – SHAAP [Room 743]</u>			
<u>Workshop: Cross-national research on gender and alcohol - CAPR [Room 639]</u>			
15.30 Break			
Thursday 16.00 (1) Influences/Drivers of Consumption of Zero/Low Alcohol [Room 438]		Discussant	Chair
Lucy Burke	Understanding socioeconomic differences in the consumption of alcohol-free and low-alcohol drinks: a path analysis of the mediating effects of alcohol drinking motives using a cross-sectional sample of adult alcohol drinkers in Great Britain.	Claire Garnett	Molly Bowdring
Parvati Perman-Howe	Exploring how alcohol-free and low-alcohol drinks are embedded in the everyday lives of high-risk drinkers who are trying to reduce their alcohol intake.		
Polathep Vichitkunakorn	Impact of Exposure to No- and Low-Alcohol Products on Consumer Desire: Evidence from a Multi-Brand Survey in Thailand	Oscar Rousham	
Inge Kersbergen	Cue reactivity to core branded and non-core branded no and low alcoholic drink cues compared to soft drink cues among hazardous and harmful drinkers.		
Thursday 16.00 (2) Drinking Trends & Cohort Studies [Room 607]		Discussant	Chair
Patrick Okwarah	Trends in Alcohol Use and Self-Harm Among Individuals Aged 15-65 Years in Kenya; 2007-2022	Vera Buss	Colin Angus
Adam Sherk	Can alcohol policy prevent cancer? Modeling the impact of minimum unit pricing and alcohol warning labeling on cancer incidence and mortality in Canada; 2022		
Sonia Cerrai	Combining and comparing ESPAD data on the prevalence of adolescent alcohol consumption in Europe (1995-2019): a meta-analytical approach	Emelie Thern	
Emma Vieira	Investigating Gender Convergence in Young Adults' (18-29) Drinking in Australia		

KBS 2025 Scotland Full Programme

Thursday 16.00 (3) Parental Alcohol Use/Managed Alcohol Programmes [Room 707]		Discussant	Chair
Signegun Romedal	Designing their own story: A meta-ethnography on adolescent's experiences of what promotes their health when parents have substance use problems	Gabriel Caluzzi	Hannah Carver
John-Kare Vederhus	Adult Support as a Protective Factor: Mitigating Childhood Adversity and Enhancing Life Quality		
Sybil Goulet-Stock	Evaluating Cannabis Substitution for Alcohol within the Context of a Canadian Managed Alcohol Program	John Cunningham	
Emma King	Evaluating Scotland's First Managed Alcohol Programme		
Thursday 16.00 (4) Social Media Marketing [Room 745]		Discussant	Chair
Taisia Huckle	New immersive alcohol marketing and commerce in the Metaverse.	Lauren Carters-White	Robyn Burton
Edwinah Atusingwize	Exploring links and exposure to alcohol adverts on social media in relation to alcohol use among university students in Uganda		
Paula O'Brien	Influencer Marketing of Alcohol: Compliance with Regulations on the Disclosure of Commercial Relationships and Options for Reform	Susan Calnan	
Antonia Lyons	Instagram influencers with their own alcohol brand: A new and prevalent form of digital alcohol marketing		
Thursday 18.30 50th Anniversary Dinner, Kelvingrove Museum & Art Gallery, Argyle Street, Glasgow (max 10 mins walk from main venue)			

KBS 2025 Scotland Full Programme

Friday			
09.00 Friday Plenary: Zero and Low-Alcohol Drinks - Practices & Trends [Room 438]		Discussant	Chair
Molly Bowdring	From Shirley Temple to Dirty Shirley? Non-alcoholic beverage use; age-restriction policies; and alcohol use among adolescents; young adults; and adults in the US	Sarah Clifford	Inge Kersbergen
Laura Fenton	A family affair? Exploring the place of alcohol-free and low-alcohol drinks in young people's day-to-day practices		
Vera Buss	Trends in use of alcohol-free or low alcohol drinks in attempts to reduce alcohol consumption in Great Britain, 2020-2024: a population-based study	Simone Pettigrew	
Abi Stevely	Are increases in the prevalence of purchasing alcohol free and low-alcohol products associated with attempts to cut down alcohol consumption in Great Britain? A time series analysis		
10.30 Break			
11.00	KBS Annual Business Meeting (all welcome) [Room 438]
